

THE RACING IN SARATOGA.

THORA EASILY CAPTURES THE CLARENCE.
DON HOTEL STAKES.GERWAY BEATS EDE AFTER BEING TWICE
BEaten HIMSELF During the Race—Chal-
lenged by Ede to a Race for \$2,500 a Side.

SARATOGA, Aug. 9.—A cool southerly breeze was刮起 across the race track to-day, and the 4,000 spectators enjoyed it. There were fair evens on the card, and three of them were interesting. In the third race Getaway, a Kentucky horse, won at the post, after being twice beaten during the race. The beaten animal is Ede, who recently made such a great name at the track. He accepted an invitation of Father Stephan, Indian agent, to visit what is termed "The Hostile Camp," which is located on a small stream at the foot of a range of bluffs and Seventh avenue, and, in obedience to their leader's order, a long procession of carriages was quickly formed with a Tally Ho coach containing a band of music at its head. It was the annual parade and grand finale of the association, and they met at the hotel of the Treasurer, Mr. Henry H. Masterson, preparatory to driving to College Point, the place selected for the picnic. They refreshed themselves before starting, but all were as sober when they drove off as their stalid host by no means showed the Arrow, but is built almost in the model of the Arrow, but is built almost in the model of the Arrow.

About six hundred people, nearly all from Rye and the neighborhood, had assembled to see the races launched. The yard is on land belonging to William Gossips, three miles from Rye station. No member of the New York Yacht Club, for whom the race was run, has ever been to the Indians' camp. The Indians were present, and the chief, who had no right to offend his tribe under such circumstances, was present.

Just before the last race an attempt was made to burn the track. A bomb was thrown into the enclosure, but it exploded without doing any harm.

The first race was a trial competition of a mile and a half, and the winner received \$100, and horses at the entrance money, \$15 each, to be divided between the second and third horses.
